From the desk of **Fabiola**,  
your **Baroness**

Greetings and Salutation to One and All!

We've had a hectic and harried start and I hope all of you have caught up on your rest and gotten over Post Adornment Syndrome because there's much work to be done in the coming months. I would first like to thank each and every one of you for the spectacular job you did making Adornment such a success. We received many notes of congratulations and each and every one of them noted our wonderful hospitality and unity as a group. Congratulations!

As the Baron and I move on into our Reign we hope that all of you will continue with the great efforts that you have made in the past year. The theme of our Reign is "Hands together!" and it is what we hope and desire to accomplish in this year. There can never be too many volunteers and never enough to do. We will be calling upon you throughout the year to assist us and will appreciate every minute you can give us. This is your organization, please feel free to come to us with your thoughts and ideas and your questions as well.

I hope that you all find this newsletter informative and helpful in keeping up with the events of the Barony, my best wishes and thanks to Sierra for taking on this task.

*...a note from your editor  
Sierra Montana aka/Aaron Byrd*

**"Together We Stand - Divided We Fall"**

First I would like to wish Steve and Fabiola much success during their reign as Baron and Baroness. The theme of their reign "Hands Together" says it all-for if we all stand together we will grow stronger as a team but divided we will fall.

If you have an article you wish to be considered for publication please submit it by August 30<sup>th</sup>. I look forward to working with my Barony family and making this year a smashing success!
